**Bill Watterson : The Indispensable Calvin and Hobbes: A Calvin and Hobbes Treasury** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Indispensable Calvin and Hobbes: A Calvin and Hobbes Treasury:

3 of 3 people found the following review helpful. Great entertainment for kidsBy MikeGreat book, my 11 year old son loves it and reads it over and over. I hear him laughing all the time.2 of 2 people found the following review helpful. Turning on the next generation of Calvin loversBy QueenShannonNinjaSeriously - how could you NOT love Calvin Hobbes. My 7 year old is now reading Calvin Hobbes, and it's the greatest thing ever. He may not get all the humor, but as a boy who has a beloved monkey he connects with Calvin's attachment with Hobbes on a very personal level. For me it's like going back to my high school and college years and rereading a loved cartoon.0 of 0 people found the following review helpful. A great comic by one of the best!By L. P. HAWLEYThere is nothing to dislike about Calvin and Hobbes! My six year old has learned to read better because of all of Calvin's adventures and imaginings (if that's a word). It's been great to see him grab hold of a book and work through some of Calvin's large vocabulary. Granted, some of the more mature expressions that Calvin talks about are well above most six year old heads and I was questioned several times about what Calvin meant in a few of the comics. But as far as reading material, Bill Watterson is one of the best comic creators ever.The book itself is quality and well worth the price. My son gives most books a good workout and this one holds together quite well. The binding is solid and the paperback cover has held up very well.

Now available for the first time as an e-book! The cartoons in this e-book have been specially formatted for optimal viewing. The e-book will only work on color tablets and is not intended for viewing on desktop apps or black and white tablets.Calvin, the six-year-old dirty tricksmeister and master of indignation and his warm, cuddly philosopher sidekick and Hobbes, a tiger whose idea of adventure is to lie on his back by the fire and have his stomach rubbed. This unlikely due captured the hearts, the minds, and, most of all, the funny bones of America. The Indispensable Calvin and Hobbes contains an original full-color section, as well as all the cartoons appearing in The Revenge of the Baby-Sat and Scientific Progress Goes "Boink." All Sunday cartoons are presented in full-color.

The sad thing about this eagerly awaited annual is that I know that already one Jersey bookshop has sold out of it. \* JERSEY EVENING POST \* good jokes and unusual twists. \* SUNDAY TIMES \*About the AuthorBill Watterson

won the 1986 Reuben Award as Outstanding Cartoonist of the Year, nominated by the National Cartoonist's Society.
